PRESS RELEASE

Chicago—July 15, 2011—Accurate Biometrics, today, announces it is approved to electronically process FBI fingerprint background check requests direct to the FBI, thus becoming the FIRST approved FBI Channeler to offer this service to United States citizens.

Individuals can now get their own FBI criminal history reports within **7 days**, versus 6-8 weeks, in accordance with Departmental of Justice Order 556-73. The most common reasons individuals' request their own criminal histories are:

- To review or to request a correction or update
- To challenge information on their record
- To satisfy certain legal requirements such as a requirement for adopting a child
- To satisfy a requirement to live in a foreign country
- To satisfy a requirement to work in a foreign country
- To satisfy a requirement to travel in a foreign country (study abroad programs, renew a visa, etc.)
- Other court related matters

“We are very excited to have been selected by the FBI to provide this service to United States citizens and permanent residents”, said Peggy Critchfield, President, Accurate Biometrics.

Headquartered in Chicago, Illinois, Accurate Biometrics is a Woman Owned—Certified Illinois Small Business, and a nationally recognized leader in livescan fingerprinting technology used for criminal history record checks for public and private sector agencies and organizations.
