## ProtectTouch

*Our Cleanliness Pledge To  
Serve Our Communities*

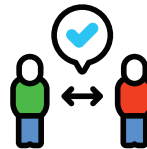

Accurate Biometrics' mission statement is to "protect our communities by being the most trusted provider of fingerprint solutions." Our care for the community extends to every applicant that walks through our door. That's why we maintain the strictest cleanliness and personal hygiene standards, above the guidelines listed by the CDC, and other state and municipal agency recommendations. This standard is integral to who we are, so we gave it a name: the **ProtectTouch** pledge.

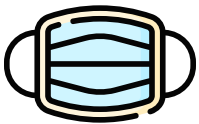

### INFORMED

We stay current on news and recommended guidelines, reviewing and updating procedures as needed.

### SOCIAL DISTANCING

We limit the number of applicants inside our sites. Our new seating arrangement provides proper social distancing.

### PROTECTIVE

We wear masks and gloves during the COVID-19 pandemic. We kindly ask that our applicants wear masks as well, to follow the Illinois State order.

### FREQUENT CLEANING

Our staff wipes down touch surfaces with disinfectant several times daily. Fingerprint scanners are cleaned after every applicant.

### STAFF CLEANLINESS

Our staff rigorously follows hand washing guidelines to kill the coronavirus.

### TRUSTED

We have been a leader in the fingerprinting industry for 20 years. Protecting applicants is of the utmost importance.

The coronavirus is killed with common soap and disinfectants.

Soap bonds to fatty coronavirus membrane

Soap molecules bond to water

Push and pull breaks the virus membrane apart
