

Accurate Biometrics Awarded the Chicago Public Schools (CPS) Fingerprinting Services Contract

Accurate Biometrics, today, announced it was awarded the Fingerprinting Services contract for the Chicago Public Schools, for a two year term, with an option to renew for one additional year. This will be the fourth consecutive award to Accurate Biometrics.

Chicago, IL ([PRWEB](#)) August 10, 2012 -- Accurate Biometrics, today, announced it was awarded the Fingerprinting Services contract for the Chicago Public Schools, for a two year term, with an option to renew for one additional year. This will be the fourth consecutive award to Accurate Biometrics.

“We are very proud and excited about this most recent award from the Chicago Public Schools. Having served the Chicago Public Schools since 2001, our partnership with the third largest school district in the United States has proven to be extremely effective in ensuring the safety of the just over 404,000 students served by the CPS. It is a pleasure and very rewarding to work with a client who is as forward thinking as CPS, and who is always asking itself what else it can do to ensure the safety of the student and the faculty. Equally rewarding is the CPS commitment to local businesses, as Accurate Biometrics is headquartered in Chicago. Additionally, many of Accurate Biometrics’ highly skilled staff of fingerprint technicians and management staff are CPS alumni, and many of these alumni have children currently enrolled within the CPS system, said Peggy Critchfield, President, Accurate Biometrics.

Accurate Biometrics provides its valuable electronic fingerprint capture and transmission services to many State and Federal Government agencies, Private Sector businesses (banking, mortgage brokers, financial advisors, and individuals seeking a personal copy of their Illinois State and/or FBI criminal history record.

Headquartered in Chicago, Illinois, Accurate Biometrics is a leader in livescan fingerprinting used for criminal history record checks. “We feel our service is the key component in protecting our most vulnerable populations—our children, the elderly, and persons with disabilities”, said Peggy Critchfield.

Accurate Biometrics is a Woman Owned, Certified Illinois Small Business, and Federally Certified Woman Owned Small Business.
